

## *Light* at the Lighthouse Festival *Sponsorships*

Dear Potential Sponsor of Light at the Lighthouse,

Thank you for considering ad placement in the 2009 Light at the Lighthouse Festival Souvenir Program. Sponsorship support last year contributed to one of the best concerts we have had since our first concert four years ago. Over 4000 of our friends and neighbors attended to listen and enjoy more than 30 Christian bands including top recording artists like Christafari and Brenton Brown. They also heard the healing and encouraging message of the Gospel spoken from each of our "3 Stages for All Ages"; a message needed by our country and community now more than ever in this time of uncertainty.

Plans are now under way to make our fifth Light at the Lighthouse music festival on September 19<sup>th</sup>, 2009 even better! Please join with more than 15 local churches and dozens of local businesses by sponsoring an ad. Your support makes it possible for us to continue to provide a free family festival for the community that features the best music heard at Point Fermin Park all year!

The festival is also a great opportunity for connecting with churches and businesses and community organizations in the area who want to be of service and lift up the South Bay!

Sample ads are attached from the 2008 Lighthouse Festival Souvenir Program along with an order form. If you do not have artwork we will be happy to create an ad for you. Specifications and directions are also included for this. Your tax-deductible sponsorship and order form should be mailed to us at 2328 W. 37<sup>th</sup> Street, San Pedro, CA 90732 and received no later than June 30, 2009.
